

AKTICOP 7500 S

Product sheet 01A / 14

MH-INSTANT COPY LAMP

Instant metal-halide copy lamp with high optical efficiency for the precise exposure of UV sensitive films and emulsions on large format stencils.

STANDARD VERSION

- **Vertical** : power supply mounted on mobile tripod, height adjustable
- **Horizontal** : with hanging attachment, power supply separate, connection to the lamp with 5 m cable
- Electronic hot ignition to allow instant exposure
- Protective glass heat resistant, UV-B absorbing
- CE conformity
- Operating instructions in English or German
- RAL 5007 blue or RAL 1013 white

Features

- Including light integrator AKTITRON S16E with photocell, UV filter, 15 programs and 1 vacuum program, call off lamp intensity
- Including 1 tube ozone-free with universal spectrum for diazo and SBQ
- UV spectrum is fully activated in 5 seconds
- Easy change of tube at reflector
- Flat, very large reflector

Option on request

- Floor plates for easy positioning of unit

Note:

On request we can deliver this unit with stabilization of the lamp voltage (at extra cost). The advantage is constant and reproducible UV radiation for optimal emulsion hardening (also for mains power fluctuation).

Article	Description
AS02041	AKTICOP S Vertical complete with mobile tripod, light integrator AKTITRON S16E V 7500 S 400 V 50 Hz
AS02040	AKTICOP S Horizontal complete with hanging attachment, light integrator AKTITRON S16E H 7500 S 400 V 50 Hz
ACCESSORIES	
AS02000-05 7095002	Block and tackle for AKTICOP H 7500 S Colour if different from RAL 5007 or 1013
AS02000-98	Packing overland freight
AS02000-99	Packing sea freight
